**Minutes from a Special Budget Meeting held April 18, 2016**

The Board of Trustees held a budget meeting to go over the past years budget numbers for next year's budget. The meeting was Called to Order at 6:30 p.m. Gary Geirnaeirt, Committee Chairperson, began with the general fund and went through the budget one line at a time. There were a few items that were raised due to cost increases each year like health insurance, fuel and power charges. Other items the Board dropped and some of those were construction expenses, professional service and purchase of new equipment. The Trustees worked on the budget and the heads of the committees lead the budget discussions for their departments. At 7:24 the meeting was adjourned. Christy is to have the new budget typed up for approval at the next meeting.
